Hi Gary,

I must of forgotten your request—sorry about that. Here are the data you requested. Let me know if you need anything else.

Hi Steve,

A couple of months ago I had requested data to update the information you provided back in 2015 about monitoring of ambient water quality in and around FCPP...

If already you sent it, I can't find it in my emails... if not, can you send it to me at your earliest convenience?

Thanks,
